Subject: Talking points for follow-up calls for Dewey-Burdock consultation letter

Hello everyone!

The Dewey-Burdock formal consultation letters will go out in this morning's mail. I am emailing the ccs to the environmental directors and the THPOs/cultural resources contacts this morning.

Attached is a 1-page talking point list for the follow-up calls that we want to do before Friday, December 11, which is the response deadline we put in the letter. Please review the list to make sure it contains all the points we want to cover during the calls.

Thanks!

Valois
